

Frequently Asked Questions:

Q: I bought my student an apparel item last year that was sold to me as "school approved", yet under the new dress code guidelines, it would appear to be in violation of the dress code. For example, it's a black and white marbled quarter zip pullover with the Blessed Maria logo. Are these being grandfathered in?

A: Yes, the marbled pullovers, along with solid gray Blessed Maria and Columbus pullovers will still be allowed. However, they will no longer be sold at the start of the new school year.

Q: Can socks have logos on them?

A: Yes, any socks may be worn.

Q. Will students be allowed to wear shirts with small logos (Nike, Adidas, Under Armor etc.)?

A: No brand logos are to be worn. The only logos allowed on apparel are Columbus or Blessed Maria.

Q: Will the elementary schools (K-5) be limited to the same color choices for shirts as the middle school and high school? If not, can you explain why the color choice is being limited at some schools and not others?

A: The purpose of restricting color options at 6-12 is to begin the process of creating unity among students. Additional options may exist in elementary grades because of the unique situations of the younger student population.

Q: What will be the approved PE uniforms for high school students?

A: Students in Grades 9-12 wear an approved uniform for physical education. The uniform consists of a t-shirt with a school logo and shorts. Optional sweatshirts may be worn. Tennis shoes are required for P.E. class.
