CVCS RESPONSIBLE USE POLICY (RUP)/AGREEMENT
Grade 6-12

Student Name (print) _____ **Grade:** _____

The iPad is school property and is intended for use at school each day. In addition to teacher expectations for iPad use, school email, announcements, calendars, and schedules will be accessed using the iPad daily. iPads that are broken or fail to work properly must be taken to the Media Center for an evaluation of the equipment.

During the educational experience, students may use other technology devices and software in addition to the iPad. The same behavior expectations outlined in the policy below are applied to any technology devices used in the educational day.

1. I will only use a clean, soft cloth to clean the screen; no cleansers of any type.
2. I will insert and remove cords and cables carefully to prevent damaged cords.
3. I will keep my iPad free of profanity writing, drawing, stickers, or labels that are not the property of CVCS including screensaver or background photo.
4. I will always keep my iPad in a supervised or secure area.
5. I am responsible for having my iPad charged for school each day.
6. I will use only the school-assigned iPad case.
7. I will not put pressure on the screen by leaning, or placing objects on top of the iPad.
8. All apps must be district provided. I will not add additional apps.
9. Students may be required to check in their iPads for periodic checks, updates, and syncing.
10. The iPads are signed into the CVCS iTunes account.
11. Data storage will be through apps on the iPad and through school-provided Google accounts.
