Cedar Valley Catholic Elementary Schools

In the Cedar Valley Catholic Elementary Schools we strive to create a learning environment which builds essential skills to lead in Faith, Service, Discipline and Knowledge. Our schools support the efforts of our families to strengthen their personal relationship with God and we strive to be Christ-centered for all. Our school culture works to influence the development of positive attitudes and Catholic Christian virtues. Our students, parents/guardians, faculty, support staff, our pastor, Faith Formation Committee members, and CVCS School Board members - who make up the school faith community, create this culture. An education in the Cedar Valley Catholic Schools will prepare our students to Learn, Serve, Lead and Succeed in their mission to become the best version of themselves.

III. Cedar Valley Catholic Elementary Discipline Protocol

The discipline protocol is intended to complement the CVCS Code of Conduct found in this handbook. Through teaching, reflection and growth we seek to more closely model our actions and words on the tenets of Christ; however, knowing our need for growth, the Cedar Valley Catholic Elementary Schools will work to establish discipline procedures to allow for reflection

and continued growth for our students. The examples given below are to serve as a guideline. Discretion is given to the school administrator when implementing procedures outlined below.

- 8:25 - Student supervision begins
- 8:35 - Student day begins/First Bell
- 8:40 - Tardy Bell
- 3:40 - Student dismissal
- 3:50 - Student supervision ends.

School Day Schedule - Blessed Sacrament

The school day schedule is as follows:

- 8:15 - PK3 and PK 4 begin
- 11:15 - PK 3 morning ends
- 12:15 - PK 3 afternoon begins
- 2:15 - PK 4 day ends
- 3:15 - PK 3 afternoon ends

Elementary school students will enter the building no earlier than 8:35 a.m. There is no staff supervision before 8:25 a.m. Student supervision at the end of the day will end at 3:50 p.m. and remaining students will be taken to the office to wait for their parents. Students who are waiting past 3:55 p.m. will be taken to the daycare at the cost of the family.

A. Preschool Attendance Days

PK 3 and PK 4 attendance will happen on Monday, Tuesday, Wednesday and Thursday throughout the school year. The goal will be to create a schedule in which four days of student attendance can be possible. Most weeks will be Monday - Thursday with Friday as a non-attendance day. However, a specific PK attendance schedule will be sent to families to ensure clarity around yearly attendance.

B. School Cancellation

When weather conditions worsen during the day, it is possible for students to be dismissed early. Parents must be alert to this possibility and have a plan prepared for such occasions. Arrangements also need to be made with other childcare providers. The Cedar Valley Catholic Schools daycare program will remain open on school cancellation days unless otherwise noted.

C. Early Pick-Up During School Hours

Parents wishing to pick up their children during school hours should check in at the office to sign out your child. We will call your child to the office when you arrive. In case a friend or relative is to pick up the child, please contact the school office beforehand and identify the individual calling for the child. For the safety of your child, this individual must be listed as a person authorized to pick up your child. Photo identification and/or student pickup number will be required.

D. Attendance

In order to develop character traits of self-discipline and responsibility, students are to attend school regularly. Absent students can make up most of schoolwork missed; however, repeated absences are detrimental to a student's academic success. It is a parent/guardian responsibility to see that the child attends school as required by the Iowa Compulsory Attendance statute, which states the length of the school year. The following procedures are followed in the event of absence:

- Please contact the school office by 8:30 am. Please leave a voice message if necessary. This assures us that your child is safe and that they will not attend school that day.
- If the school has not been notified of an absence, the office will contact the parents.
- Parents will receive notification from the principal on the seventh day of absence.
- Students who reach 15 days absent (considered excessive absenteeism) will be subject to attendance record review and, per policy 299.1 of the Iowa Code; the County Attorney will be notified.

E. Tardy

If a student arrives late to school, without a written note or a phone call received, he/she is considered tardy. If a student arrives late to school, and a written excuse is provided, arrives with a parent, or a phone call has been received from the parent regarding the same, this will be considered an excused tardy.

F. Excused and Unexcused Absences

If a student is absent and no note or phone call has been received from the parent, this is considered an unexcused absence. Conversely, if a note or phone call is received at the school from the parent, this is an excused absence.

V. Communication Between Home and School

Adequate and clear communication between school and home is essential for the success of the children. Parents should feel free to call teachers about student progress or other situations of concern.

The school office is open from 8:00 am to 4:00 pm each school day. Teachers may be contacted by telephone during the school day by leaving a message on the teacher's voice mail. The teacher will return the call at his/her earliest convenience. Requests for parent/guardian conferences may be made at any time by a parent/guardian. Teachers are available to meet with parents before or after school by appointment only.

Family Communication Folders

Each Thursday or Friday you will receive a family communication folder. Each family will have a child to be designated as the family mail carrier. It will be that child's responsibility to carry communication back and forth. Your mail carrier will bring the envelope home. This envelope is used to send home communications from Religious Education, PTO, Scrip, the Parish and other community groups. Your envelope should be returned to school on Friday or Monday. You may return items such as lunch money, Scrip orders, change of address or phone number, which need attention at school through your envelope.

Communication, including the weekly newsletter, will be done via email, unless requested otherwise.

VI. Specials Classes

A. Physical Education

It is recommended that all students have periodic physicals. Parents/guardians of students with a disability must inform the instructor of the nature of the disability. Excuses from class must come from the parent/guardian. For prolonged excuses, it should come from the family physician.

While there is no official Physical Education uniform, all students are to wear gym or athletic shoes in the gymnasium. Do not wear shoes with black soles or heels as they may leave marks on the gym floor.

B. Music

Vocal music is offered for all students. Through the vocal music program all students will actively participate in essential learning in music. The students in all grade levels will perform in a grade level concert as a part of their music education curriculum. These performances are held outside of the school day to accommodate families and community members to engage in the performance.

C. Library

All students in Grades K-5 will be scheduled to visit the school library once a week. Each student is responsible for the book(s) he/she checks out from the library and will be charged for lost or damaged books.

D. School Counselor

Cedar Valley Schools provides a school counselor. The counselor works with students individually, in small groups, or in classroom guidance lessons. The counseling relationship allows children to explore feelings and interests and provides an opportunity to explore specific issues or concerns. The counselor strives to help students develop a better understanding of themselves and others. At times that means developing plans for meeting children's needs by bringing together information from parents, teachers, and other professionals.

School counselors are a valuable resource for parents. Parents are encouraged to visit with our counselor to discuss any concerns they may have about their child. The counselor can also help families make contacts with organizations within the community.

E. Technology

As a part of the K-5 educational experience all students will have a weekly technology course throughout the school year. Students will learn the basics of both desktop and tablet operating systems, how to use a desktop keyboard and to functionally use the iPad for classroom and individual use. Additionally, students in all grade levels will learn coding practices to help increase an understanding of code input and operation.

VII. Electronic Devices

Personal electronic devices such as portable radios and iPods, DVD players, beepers, cellular phones, electronic games, remote controls, laser pointers, and other similar electronic devices are not to be used during the school day unless the teacher has given permission to use them to supplement instruction. The school will provide the necessary electronic devices if they are to be used during instruction. These items may interfere with a positive educational environment. All such devices will be immediately confiscated and returned to the parents/guardians of the student. These personal electronic devices are to be left at home or in your child's backpack.

VIII. Homework

Homework is encouraged in order to teach students the importance of practice, review, and application. Teachers assign homework in accord with the age of students. Parents/guardians should not have to instruct students, but are encouraged to support the homework process through questions and suggestions when appropriate. They are also asked to help students become responsible in completing their own homework and turning it in on time.

If a student is absent from school, he/she is responsible for completing the work missed. On the day of absence, requests for homework may be made by calling the office by 9:00a.m. and may be picked up at 3:20p.m. in the office.

IX. Children's Liturgies

The Cedar Valley Catholic Schools hold children's liturgies as a part of our religious curriculum. K-5 school children attend a 9:00 a.m. all-school Mass every week. Grades take turns in planning and in leading the celebration of the Eucharist. All are welcome and encouraged to celebrate with us.

X. Health Guidelines for Parents

Our philosophy regarding attendance is that students should be in school when they are in good health so that learning and development may progress. On the other hand, it is not in the best interest of the student or others to be in school when he/she is not well. Please consider the health of your child and others before sending your child to school with cold or flu symptoms.

Please keep your child home from school if he/she has any of the following symptoms:

- Oral temperature of 100.3 degrees or higher. Temperature should be normal for 24 hours without the benefit of aspirin or acetaminophen.
- Nausea, vomiting, or diarrhea within the last 24 hours.
- Unexplained skin rash or eruptions, especially with other physical complaints.
- Constant cough, sore throat, nasal congestion/discharge, or red eyes with yellow drainage present.
- Children should be on antibiotics for a full 24 hours before returning to school. If your child

is placed on antibiotics for an infectious disease, a note from the doctor stating when it is ok to return to school is recommended.

Other health guidelines/reminders:

- As a general rule, if students are well enough to be in school, then they should be well enough to go out for recess. Requests that students stay in for recess will be honored in circumstances in which a doctor's note has been provided.
- Research shows that absenteeism due to illness is decreased 40% when children are taught good hand washing techniques. Please reinforce these habits with your children.
- When diagnosis of a contagious illness or condition has been made for a student, we will send home a note or email notifying families with children in that grade/classroom. This is so parents/guardians can be watchful for symptoms.
- Students who are too sick to come to school during the day may not participate in evening activities, such as concerts.

XI. Services

A. Food Service Program

Lunches are available for free or at reduced rates to families who qualify for this program. Parents/guardians need only to complete the necessary form in August or at any time during the school year. All information shared is confidential. **We strongly encourage families who qualify for free or reduced lunches to take advantage of this benefit. Participation in these programs helps to raise revenues and maximizes eligibility for federal grants to support supplemental academic programs.** Parents who wish to participate in the federal free and reduced lunch program may apply at registration or at any time in the school office, in accord with eligibility guidelines. All information regarding free and reduced eligibility is kept confidential.

Lunches are available in the school cafeteria. A lunch menu will be provided at the beginning of each month. If the start of the school day is delayed due to bad weather, no breakfast will be served that day. Menus are designed to meet nutritional guidelines and promote healthy eating habits. Please do not send or bring commercially prepared fast food for your child. Carbonated soda and candy are also prohibited.

Grades 3-5 students may also purchase extra milk on any day and extra main dish entrees on some days. The cost of these "extras" will be charged to the family's Food Service account. Parents/guardians need to contact the Food Service Site Manager (233-5642) to request that no "extras" be charged to their family's account.

We encourage parents/grandparents to join their child(ren) any day for lunch. Please make a reservation with the cafeteria before 9:30 in the morning. As with students, we ask that parents do not bring fast food items into the lunchroom.

B. Extended Care

Before and after school care is available from 6:30 a.m. until 5:30 p.m. The initial non-refundable family registration fee is \$25.00. Please call the school office for additional information regarding before and after care for your child(ren).

XII. Ways to be Involved

Parent-Teacher Organization (PTO)

The PTO coordinates fundraising activities and sponsors social events for students throughout the year. Events may be held during the school day or may occur in the evening or on weekends. All parents/guardians of enrolled students are members of this organization. Your participation in events supported by our PTO is greatly appreciated.

Volunteer Helpers

Education volunteers are an integral part of our learning program. It is our goal to involve volunteer service in our school. Parent volunteers are needed; whether it is once a week or once a month (at school or at home) to work with small groups, cut or color items for crafts or bulletin boards, etc. To become a Volunteer Helper, contact the PTO, the principal, or a classroom teacher. ALL volunteers are required to sign an acknowledgment form, have a background check, and take an online Safe Environment Training course through Catholic Mutual Group.

Teachers appreciate the assistance volunteers provide and volunteers experience the pleasures of being needed while helping others.
